ENVIRONMENTAL STATEMENT

MAY 2009

## ENVIRONMENTAL STATEMENT

It is Constant Air Systems Limited objective to recognise the need to protect the environment and to achieve this, our aims are:-

1. The Company will endeavour to carry out activities and operations in accordance with relevant statutory obligations to protect the environment.
2. To ensure that all employees are fully aware of the need to protect the environment and to encourage them to share the responsibility to operate and improve the environment.
3. Recognise the need to co-operate with Clients environment policy and form a relationship to achieve its objectives.
4. Where possible use only products that can be recycled and endeavour to recognise all other environmental issues which can affect the atmosphere.
5. Carry out regular reviews with our employees to ensure that our aims are being maintained.
6. Make available to employees and customers all relevant information about activities that affect health, safety and the environment.
7. Keep in regular communications with our association, the Heating & Ventilating Contractors Association, for any additional guidelines to improve the environment.
