

Risk Assessment Summary Part 1.

Client :
 Project :
 Location :

Contract No. :
 Compiled by :
 Date :
 Sheet No. : **RA14-01**

Work Activity / Contract Type :		Installing Gas Boiler	
Persons exposed :		Comments (including reference to the disabled, trainees etc.)	
Employees	Y		
Other workers	Y		
Public	X		
Hazard Identified		If present / requiring control	If absent / not significant
Physical Injury Hazards		Physical Agents	Manual Handling
Mobile Plant	X	Ionising Radiation	X Manual Handling Injury
Moving parts of machine	X	Lasers	X
Moving materials	Y	Ultraviolet Light	X Miscellaneous
Falls from heights	X	Cold Objects	X Weather
Access equipment	X	Hot Objects	X Lone Worker
Slips, Trips or Falls	Y	Temperatures	X Confined Spaces
Excavations	X	Noise / Vibration	X Restricted Access
Pressurised systems	X	Hazard Substances	
Electrical	X	Hazard Substances	X Other
Hot work / Fire	X	Micro - organisms	X Other
Explosion	X	Vermin / Weils Disease	X Other
If others (specify) :			
Specific Site Conditions			
Describe site elements which create specific risks (i.e. weather conditions for roof work, etc.) which require precautions to be taken during the works :			
Risk Evaluation (See check list above)			
Score	Likelihood of Harm	Severity	Risk Number
1 2 3			
Unlikely Possible Likely			
Minor Moderate Serious	Score 1 , 2 or 3	Score 1 , 2 or 3	Scores Multiplied
Physical Injury	2	2	4
Physical Agents	1	1	2
Hazardous Substances	1	1	2
Manual Handling	2	2	4
Miscellaneous			
State Key Risks (Use risk evaluation score for priorities - 5 + priorities)			
.....			
Control Measures - See Risk Assessment Summary Form 2 attached			
Signed		Position
